

HIGHWAY 55 WASTE MANAGEMENT CORPORATION

CHANGE TO: RECYCLE PROGRAM

EFFECTIVE IMMEDIATELY:

The markets for *post-consumer plastic film* have been virtually eliminated with the new “National Sword” program instituted by China. In order to ensure we can successfully recycle mixed paper and maintain viability of the recycling system, we are eliminating plastic film from the material we can receive for processing.

Please continue to recycle: Clean Paper, Cardboard, Tin cans, Plastic containers (yogurt, clam packs, etc.)
